

Starters, starter repair kits

Starters

- OEM type starter
- Use with OEM beam
- For a reliable and economic replacement

Starters

Specifically designed for Harley engines.

All Balls starter motors are manufactured with all new components that are fine tuned for starting the HD V-Twin engine and are backed by the industry's best customer service and warranty.

All Balls starters have the following features:

- Clutch assemblies utilize 20% oversize rollers for longer clutch life.
- Idler gears are manufactured from cold headed steel for additional strength.
- Can fit on models from 1986 to 2006.

Starters and maintenance parts

Adjustable starters.
