

TURBINECORE 2 SPARK ARRESTOR SILENCERS

• Straight-through design of the spark arrestor canister and the Performance Flow stainless steel end cap ensure strength, durability and unrestricted power

TURBINECORE SPARK ARRESTOR SILENCERS

• FMF's Turbine Dampening Separator (TDS) baffle design eliminates the exhaust restriction associated with conventional spark arrestors
 • Compact design is nearly identical in size and performance to FMF's standard silencer

• Canister is easily disassembled for cleaning and replacement of silencer packing material
