

BALL JOINT AND KING PIN KITS

- Ball joint kit is sold per A-arm and comes with snap ring and cotter pin
- King pin kit (used in applications where a king pin was used rather than a ball joint) includes all bushings, pins and seals needed for repair
- Ball joints feature heavy-duty steel cases with POM-M90 bearing material for long life

- Put an end to premature Honda ball joint failure by upgrading from the OEM aluminum joint to our heavy-duty steel joint
- Inexpensive replacement for those Kawasaki and Suzuki applications that otherwise require purchase of a complete A-arm or steering knuckle
