

Adjustable rearsets

Rearsets **LIGHTTECH** p.652
Rearsets **reculées LSL** p.833
Rearsets **TAROZZI** p.1246

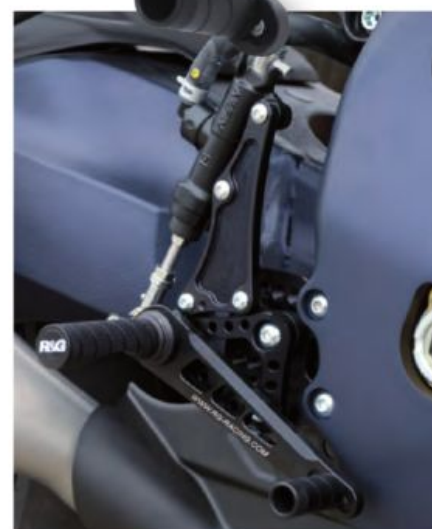

Available in France
and Swiss only

Set exactly your position on your bike !

Those adjustable rearsets are milled in high quality aluminium 6082 for high strength and durability. R&G rearsets provide large adjustments and exact positioning to suit every rider (11 positions). Designed to be easily installed. The footrests are specially textured to ensure maximum grip in even the most tricky situations. Color : black
