

New Headlight Shields

Available in France
and Swiss only

Add protection to your headlights!

Made from 2.5mm or thicker, clear, scratch-resistant acrylic, they offer the very best in optical clarity to maintain headlight performance and visibility, as well as offering excellent strength and protection from stones and other road debris - be it on the racetrack or your favourite green lane! The UV-stabilised acrylic used in their construction ensures R&G Headlight Shields won't 'yellow' over time like other materials on the market, ensuring it'll always look and perform at its best.

- Precision-formed using the latest 3D scanning technology and CNC trimmed - ensuring an exact fit to the profile of the OE light
- Easy-to-install pad system
- Made from 2.5mm clear, scratch-resistant acrylic
